

PLAYER EXPECTATIONS

We as a coaching staff expect focus and intensity not only on Friday nights but also during our daily practices. Lee's summit West Football is known for its intelligence and toughness. These two attributes will be the cornerstone of the Lee's Summit West football program along with the following player expectations.

MAKE A COMMITMENT

Players are expected to "buy in" to the idea that we have a Titan Family. Titan family members need to commit to the program and to each other. Commitment during the season and during the off season program are expected and needed to win.

KNOW YOUR ASSIGNMENTS

Titan players are expected to study in the classroom and in the film room. Game strategy and knowledge is extremely important to any victory. Players must watch film, focus during chalk talks, and be able to adjust on the fly and game time pressure situations.

HUSTLE AND ULTIMATE EFFORT

Physical play and maximum effort are expected of every Titan. It is your responsibility to yourself and your teammates to be the player on the field who stands out with ultimate effort. Not everyone can be all-state...but everyone can hustle.

LOYALTY TO TEAMMATES & COACHES

Titan players should never blame another player or coach for a mistake or loss. We must learn to work together and support each other at all times. Loyalty leads to a stable program and the result will be wins.

COURAGE UNDER PRESSURE

Every Lee's Summit West player should show courage and will gain personal respect by illustrating it. Courage is also in the form of not backing down to peer pressure and by aiding schoolmates when bullying is taking place.

LOVE AND COMPASSION

It is expected that a Titan show love and compassion for his fellow teammates and classmates. There is no greater bond than love and the willingness to help others. We expect our players to care about each other.
